

2016 - YEAR OF INCREASING MANIFESTED GLORY

As we look back on the years passed by, especially the year 2015, we thank God for His goodness and mercy on each one of us individually and corporately together as New Life Fellowship church all over Mumbai, India and the Nations.

Our recent 'Pray for India' Conference was a prophetic foretaste of what lies ahead of us. Pastors and Leaders from all across India and different denominations as a Body of Christ echoed stating 'this was a unique conference' in many many years. We all experienced the tangible glory of God through manifesting of Supernatural creative miracles. Coming together as one body, worshiping together and praying in one accord and participating together for the Nation of India is an experience in itself as heaven on earth.

I believe this was a good beginning of a New Season of prophetic fulfilment over our city and the Nation of India.

We are indeed living in the last of the last hour before the advent of the second coming of our Lord Jesus Christ.

Many a greater tangible power will be manifest. Creation is longing for manifestation of the sons of God. We are living in a season where God will pour out His Spirit upon all flesh. This new season of refreshing will bring greater transformation in His church which will be evident.

2016 is a New Season for the church, realigning under the headship of Christ Jesus, follow the person of Christ passionately, and be a faceless generation to see the transformation.

It is a season of Increasing Manifested Glory, where the Church will walk in the fullness of her call to proclaim the gospel of the kingdom with visible demonstration of creative Power and unconditional love.

The Church has once again been reminded of the legal rights and received activation in this time of history to go beyond preaching and teaching to see the demonstration of the kingdom with miracles, signs and wonders.

We are the extension of Jesus, to see His kingdom on this earth through us the vessel of His Glory.

Since the kingdom of God is within us, we are required to fulfill the mandate of His call in our God given destiny. Jesus redeemed us so that He could live within us and express Himself through us.

In the former glory Noah entered the ark, Moses crossed the Red Sea, Joshua entered the promised land, David conquered Goliath and became the king, Lord Jesus Christ conquered sin, sickness, death and satan, entered His Eternal Glory.

2016 is a year of Increasing Manifestation of God's Glory.

Let us walk in change and live a surrendered life in our hearts, walking in God consciousness knowing that Christ in us is the hope of glory.

We as believers and ambassadors of Christ are assigned collaborators, associates, friends, ambassadors of Christ to carry His glory and be effective messengers of love, power, glory and authority.

Let us walk with the Holy Spirit, basking in the New Season of His Increasing Glory.

Let us yield our hearts to the Holy Spirit and realign our spirit man to the prophetic cry of Isaiah – Prepare the way for the King of Glory is coming.

With much love and prayers,

Shekhar Kallianpur
